(b) For all crimes of violence, except those listed in subsection (b-1) of this Section, the appropriate law enforcement officials were notified within 72 hours of the perpetration of the crime allegedly causing the death or injury to the victim or, in the event such notification was made more than 72 hours after the perpetration of the crime, the applicant establishes that such notice was timely under the circumstances.

(b-1) For victims of offenses defined in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15, and

12-16 of the Criminal Code of 1961, the appropriate law enforcement officials were notified within 7 days of the perpetration of the crime allegedly causing death or injury to the victim or, in the event that the notification was made more than 7 days after the perpetration of the crime, the applicant establishes that the notice was timely under the circumstances. If the applicant has obtained an order of protection or a civil no contact order or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute appropriate notification under this subsection (b-1) or subsection (b) of this Section.

(c) The applicant has cooperated with law enforcement officials in the apprehension and prosecution of the assailant. If the applicant has obtained an order of protection or a civil no contact order or has presented himself or herself to a hospital for sexual assault evidence collection and medical care, such action shall constitute cooperation under this subsection (c).

(d) The applicant is not the offender or an accomplice of the offender and the award would not unjustly benefit the offender or his accomplice.

(e) The injury to or death of the victim was not substantially attributable to his own wrongful act and was not substantially provoked by the victim.

(740 ILCS 45/14.1) (from Ch. 70, par. 84.1)

Sec. 14.1. (a) Hearings shall be open to the public unless the Court of Claims determines that a closed hearing should be held because:

(1) the alleged assailant has not been brought to trial and a public hearing would adversely affect either his apprehension or his trial;

(2) the offense allegedly perpetrated against the victim is one defined in Section 11-1.20, 11-1.30, 11-1.40,

12-13, 12-14, or 12-14.1 of the Criminal Code of 1961 and the interests of the victim or of persons dependent on his support require that the public be excluded from the hearing;

(3) the victim or the alleged assailant is a minor; or

(4) the interests of justice would be frustrated, rather than furthered, if the hearing were open to the public.

(b) A transcript shall be kept of the hearings held before the Court of Claims. No part of the transcript of any hearing before the Court of Claims may be used for any purpose in a criminal proceeding except in the prosecution of a person alleged to have perjured himself in his testimony before the Court of Claims. A copy of the transcript may be furnished to the applicant upon his written request to the court reporter, accompanied by payment of a charge established by the Court of Claims in accordance with the prevailing commercial charge for a duplicate transcript. Where the interests of justice require, the Court of Claims may refuse to disclose the names of victims or other material in the transcript by which the identity of the victim could be discovered.

Section 1100. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 503 as follows:

(750 ILCS 5/503) (from Ch. 40, par. 503)

Sec. 503. Disposition of property.

(a) For purposes of this Act, "marital property" means all property acquired by either spouse subsequent to the marriage, except the following, which is known as "non-marital property":

- (1) property acquired by gift, legacy or descent;
- (2) property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, legacy or descent;
- (3) property acquired by a spouse after a judgment of legal separation;
- (4) property excluded by valid agreement of the parties;
- (5) any judgment or property obtained by judgment awarded to a spouse from the other spouse;

(6) property acquired before the marriage;

(7) the increase in value of property acquired by a method listed in paragraphs (1) through (6) of this subsection, irrespective of whether the increase results from a contribution of marital property, non-marital property, the personal effort of a spouse, or otherwise, subject to the right of reimbursement provided in subsection (c) of this Section; and

(8) income from property acquired by a method listed in paragraphs (1) through (7) of this subsection if the income is not attributable to the personal effort of a spouse.

(b)(1) For purposes of distribution of property pursuant to this Section, all property acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, including non-marital property transferred into some form of co-ownership between the spouses, is presumed to be marital property, regardless of whether title is held individually or by the spouses in some form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. The presumption of marital property is overcome by a showing that the property was acquired by a method listed in subsection (a) of this Section.

(2) For purposes of distribution of property pursuant to this Section, all pension benefits (including pension benefits under the Illinois Pension Code) acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of the marriage are presumed to be marital property, regardless of which spouse participates in the pension plan. The presumption that these pension benefits are marital property is overcome by a showing that the pension benefits were acquired by a method listed in subsection (a) of this Section. The right to a division of pension benefits in just proportions under this Section is enforceable under Section 1-119 of the Illinois Pension Code.

The value of pension benefits in a retirement system subject to the Illinois Pension Code shall be determined in accordance with the valuation procedures established by the retirement system.

The recognition of pension benefits as marital property and the division of those benefits pursuant to a Qualified Illinois Domestic Relations Order shall not be deemed to be a diminishment, alienation, or impairment of those benefits. The division of pension benefits is an allocation of property in which each spouse has a species of common ownership.

(3) For purposes of distribution of property under this Section, all stock options granted to either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, whether vested or non-vested or whether their value is ascertainable, are presumed to be marital property. This presumption of marital property is overcome by a showing that the stock options were acquired by a method listed in subsection (a) of this Section. The court shall allocate stock options between the parties at the time of the judgment of dissolution of marriage or declaration of invalidity of marriage recognizing that the value of the stock options may not be then determinable and that the actual division of the options may not occur until a future date. In making the allocation between the parties, the court shall consider, in addition to the factors set forth in subsection (d) of this Section, the following:

- (i) All circumstances underlying the grant of the stock option including but not limited to whether the grant was for past, present, or future efforts, or any combination thereof.
- (ii) The length of time from the grant of the option to the time the option is exercisable.

(c) Commingled marital and non-marital property shall be treated in the following manner, unless otherwise agreed by the spouses:

(1) When marital and non-marital property are commingled by contributing one estate of property into another resulting in a loss of identity of the contributed property, the classification of the contributed property is transmuted to the estate receiving the contribution, subject to the provisions of paragraph (2) of this subsection; provided that if marital and non-marital property are commingled into newly acquired property resulting in a loss of identity of the contributing estates, the commingled property shall be deemed transmuted to marital property, subject to the provisions of paragraph (2) of this subsection.

(2) When one estate of property makes a contribution to another estate of property, or

when a spouse contributes personal effort to non-marital property, the contributing estate shall be reimbursed from the estate receiving the contribution notwithstanding any transmutation; provided, that no such reimbursement shall be made with respect to a contribution which is not retraceable by clear and convincing evidence, or was a gift, or, in the case of a contribution of personal effort of a spouse to non-marital property, unless the effort is significant and results in substantial appreciation of the non-marital property. Personal effort of a spouse shall be deemed a contribution by the marital estate. The court may provide for reimbursement out of the marital property to be divided or by imposing a lien against the non-marital property which received the contribution.

(d) In a proceeding for dissolution of marriage or declaration of invalidity of marriage, or in a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court shall assign each spouse's non-marital property to that spouse. It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors, including:

- (1) the contribution of each party to the acquisition, preservation, or increase or decrease in value of the marital or non-marital property, including (i) any such decrease attributable to a payment deemed to have been an advance from the parties' marital estate under subsection (c-1)(2) of Section 501 and (ii) the contribution of a spouse as a homemaker or to the family unit;
- (2) the dissipation by each party of the marital or non-marital property;
- (3) the value of the property assigned to each spouse;
- (4) the duration of the marriage;
- (5) the relevant economic circumstances of each spouse when the division of property is to become effective, including the desirability of awarding the family home, or the right to live therein for reasonable periods, to the spouse having custody of the children;
- (6) any obligations and rights arising from a prior marriage of either party;
- (7) any antenuptial agreement of the parties;
- (8) the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties;
- (9) the custodial provisions for any children;
- (10) whether the apportionment is in lieu of or in addition to maintenance;
- (11) the reasonable opportunity of each spouse for future acquisition of capital assets and income; and
- (12) the tax consequences of the property division upon the respective economic circumstances of the parties.

(e) Each spouse has a species of common ownership in the marital property which vests at the time dissolution proceedings are commenced and continues only during the pendency of the action. Any such interest in marital property shall not encumber that property so as to restrict its transfer, assignment or conveyance by the title holder unless such title holder is specifically enjoined from making such transfer, assignment or conveyance.

(f) In a proceeding for dissolution of marriage or declaration of invalidity of marriage or in a proceeding for disposition of property following dissolution of marriage by a court that lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court, in determining the value of the marital and non-marital property for purposes of dividing the property, shall value the property as of the date of trial or some other date as close to the date of trial as is practicable.

(g) The court if necessary to protect and promote the best interests of the children may set aside a portion of the jointly or separately held estates of the parties in a separate fund or trust for the support, maintenance, education, physical and mental health, and general welfare of any minor, dependent, or incompetent child of the parties. In making a determination under this subsection, the court may consider, among other things, the conviction of a party of any of the offenses set forth in Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-3.3, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 if the victim is a child of one or both of the parties, and there is a need for, and cost of, care, healing and counseling for the child who is the victim of the crime.

(h) Unless specifically directed by a reviewing court, or upon good cause shown, the court shall not on remand consider any increase or decrease in the value of any "marital" or "non-marital" property occurring since the assessment of such property at the original trial or hearing, but shall use only that assessment made at the original trial or hearing.

(i) The court may make such judgments affecting the marital property as may be just and may enforce such judgments by ordering a sale of marital property, with proceeds therefrom to be applied as determined

by the court.

(j) After proofs have closed in the final hearing on all other issues between the parties (or in conjunction with the final hearing, if all parties so stipulate) and before judgment is entered, a party's petition for contribution to fees and costs incurred in the proceeding shall be heard and decided, in accordance with the following provisions:

(1) A petition for contribution, if not filed before the final hearing on other issues between the parties, shall be filed no later than 30 days after the closing of proofs in the final hearing or within such other period as the court orders.

(2) Any award of contribution to one party from the other party shall be based on the criteria for division of marital property under this Section 503 and, if maintenance has been awarded, on the criteria for an award of maintenance under Section 504.

(3) The filing of a petition for contribution shall not be deemed to constitute a waiver of the attorney-client privilege between the petitioning party and current or former counsel; and such a waiver shall not constitute a prerequisite to a hearing for contribution. If either party's presentation on contribution, however, includes evidence within the scope of the attorney-client privilege, the disclosure or disclosures shall be narrowly construed and shall not be deemed by the court to constitute a general waiver of the privilege as to matters beyond the scope of the presentation.

(4) No finding on which a contribution award is based or denied shall be asserted against counsel or former counsel for purposes of any hearing under subsection (c) or (e) of Section 508.

(5) A contribution award (payable to either the petitioning party or the party's counsel, or jointly, as the court determines) may be in the form of either a set dollar amount or a percentage of fees and costs (or a portion of fees and costs) to be subsequently agreed upon by the petitioning party and counsel or, alternatively, thereafter determined in a hearing pursuant to subsection (c) of Section 508 or previously or thereafter determined in an independent proceeding under subsection (e) of Section 508.

(6) The changes to this Section 503 made by this amendatory Act of 1996 apply to cases pending on or after June 1, 1997, except as otherwise provided in Section 508.

(750 ILCS 45/6.5)

A person found to be the father of a child under this Act, and who has been convicted of or who has pled guilty to a violation of Section 11-11 (sexual relations within families), Section 11-1.20 or 12-13 (criminal sexual assault), Section 11-1.30 or 12-14 (aggravated criminal sexual assault), Section 11-1.40 or 12-14.1 (predatory criminal sexual assault of a child), Section 11-1.50 or 12-15 (criminal sexual abuse), or Section 11-1.60 or 12-16 (aggravated criminal sexual abuse) of the Criminal Code of 1961 for his conduct in fathering that child, shall not be entitled to custody of or visitation with that child without the consent of the mother or guardian, other than the father of the child who has been convicted of or pled guilty to one of the offenses listed in this Section, or, in cases where the mother is a minor, the guardian of the mother of the child. Notwithstanding any other provision of this Act, nothing in this Section shall be construed to relieve the father of any support and maintenance obligations to the child under this Act.

Section 1110. The Adoption Act is amended by changing Section 1 as follows:

(750 ILCS 50/1) (from Ch. 40, par. 1501)

Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:

A. "Child" means a person under legal age subject to adoption under this Act.

B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of

the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

- (a) Abandonment of the child.
 - (a-1) Abandonment of a newborn infant in a hospital.
 - (a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.
- (b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.
- (c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.
- (d) Substantial neglect of the child if continuous or repeated.
 - (d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.
- (e) Extreme or repeated cruelty to the child.
- (f) There is a rebuttable presumption, which can be overcome only by clear and convincing evidence, that a parent is unfit if:
 - (1) Two or more findings of physical abuse have been entered regarding any children under Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; or
 - (2) The parent has been convicted or found not guilty by reason of insanity and the conviction or finding resulted from the death of any child by physical abuse; or
 - (3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

- (g) Failure to protect the child from conditions within his environment injurious to the child's welfare.
- (h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; (5) predatory criminal sexual assault of a child in violation of Section ~~11-1.40~~ or 12-14.1 of the Criminal Code of 1961; (6) heinous battery of any child in violation of the Criminal Code of 1961; or (7) aggravated battery of any child in violation of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

- (j) Open and notorious adultery or fornication.
- (j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987. Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (iii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the

child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

~~Sec. 17-1b. State's Attorney's bad check diversion program.~~

~~(a) In this Section:~~

~~"Offender" means a person charged with, or for whom probable cause exists to charge the person with,~~

deceptive practices.

"Pretrial diversion" means the decision of a prosecutor to refer an offender to a diversion program on condition that the criminal charges against the offender will be dismissed after a specified period of time, or the case will not be charged, if the offender successfully completes the program.

"Restitution" means all amounts payable to a victim of deceptive practices under the bad check diversion program created under this Section, including the amount of the check and any transaction fees payable to a victim as set forth in subsection (g) but does not include amounts recoverable under Section 3-806 of the Uniform Commercial Code and subsection (E) of Section 17-1 ~~17-1a~~ of this Code.

(b) A State's Attorney may create within his or her office a bad check diversion program for offenders who agree to voluntarily participate in the program instead of undergoing prosecution. The program may be conducted by the State's Attorney or by a private entity under contract with the State's Attorney. If the State's Attorney contracts with a private entity to perform any services in operating the program, the entity shall operate under the supervision, direction, and control of the State's Attorney. Any private entity providing services under this Section is not a "collection agency" as that term is defined under the Collection Agency Act.

(c) If an offender is referred to the State's Attorney, the State's Attorney may determine whether the offender is appropriate for acceptance in the program. The State's Attorney may consider, but shall not be limited to consideration of, the following factors:

- (1) the amount of the check that was drawn or passed;
- (2) prior referrals of the offender to the program;
- (3) whether other charges of deceptive practices are pending against the offender;
- (4) the evidence presented to the State's Attorney regarding the facts and circumstances of the incident;
- (5) the offender's criminal history; and
- (6) the reason the check was dishonored by the financial institution.

(d) The bad check diversion program may require an offender to do one or more of the following:

- (i) pay for, at his or her own expense, and successfully complete an educational class held by the State's Attorney or a private entity under contract with the State's Attorney;
- (ii) make full restitution for the offense;
- (iii) pay a per-check administrative fee as set forth in this Section.

(e) If an offender is diverted to the program, the State's Attorney shall agree in writing not to prosecute the offender upon the offender's successful completion of the program conditions. The State's Attorney's agreement to divert the offender shall specify the offenses that will not be prosecuted by identifying the checks involved in the transactions.

(f) The State's Attorney, or private entity under contract with the State's Attorney, may collect a fee from an offender diverted to the State's Attorney's bad check diversion program. This fee may be deposited in a bank account maintained by the State's Attorney for the purpose of depositing fees and paying the expenses of the program or for use in the enforcement and prosecution of criminal laws. The State's Attorney may require that the fee be paid directly to a private entity that administers the program under a contract with the State's Attorney. The amount of the administrative fees collected by the State's Attorney under the program may not exceed \$35 per check. The county board may, however, by ordinance, increase the fees allowed by this Section if the increase is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service.

(g) (1) The private entity shall be required to maintain adequate general liability insurance of \$1,000,000 per occurrence as well as adequate coverage for potential loss resulting from employee dishonesty. The State's Attorney may require a surety bond payable to the State's Attorney if in the State's Attorney's opinion it is determined that the private entity is not adequately insured or funded.

(2) (A) Each private entity that has a contract with the State's Attorney to conduct a bad check diversion program shall at all times maintain a separate bank account in which all moneys received from the offenders participating in the program shall be deposited, referred to as a "trust account" "~~Trust Account~~", except that negotiable instruments received may be forwarded directly to a victim of the deceptive practice committed by the offender if that procedure is provided for by a writing executed by the victim. Moneys received shall be so deposited within 5 business days after posting to the private entity's books of account. There shall be sufficient funds in the trust account at all times to pay the victims the amount due them.

(B) The trust account shall be established in a financial institution ~~bank, savings and loan association, or other recognized depository~~ which is federally or State

insured or otherwise secured as defined by rule. If the account is interest bearing, the private entity shall pay to the victim interest earned on funds on deposit after the 60th day.

(C) Each private entity shall keep on file the name of the financial institution ~~bank, savings and loan association, or other recognized depository~~ in which each trust

account is maintained, the name of each trust account, and the names of the persons authorized to withdraw funds from each account. The private entity, within 30 days of the time of a change of depository or person authorized to make withdrawal, shall update its files to reflect that change. An examination and audit of a private entity's trust accounts may be made by the State's Attorney as the State's Attorney deems appropriate. A trust account financial report shall be submitted annually on forms acceptable to the State's Attorney.

(3) The State's Attorney may cancel a contract entered into with a private entity under this Section for any one or any combination of the following causes:

(A) Conviction of the private entity or the principals of the private entity of any crime under the laws of any U.S. jurisdiction which is a felony, a misdemeanor an essential element of which is dishonesty, or of any crime which directly relates to the practice of the profession.

(B) A determination that the private entity has engaged in conduct prohibited in item (4).

(4) The State's Attorney may determine whether the private entity has engaged in the following prohibited conduct:

(A) Using or threatening to use force or violence to cause physical harm to an offender, his or her family, or his or her property.

(B) Threatening the seizure, attachment, or sale of an offender's property where such action can only be taken pursuant to court order without disclosing that prior court proceedings are required.

(C) Disclosing or threatening to disclose information adversely affecting an offender's reputation for creditworthiness with knowledge the information is false.

(D) Initiating or threatening to initiate communication with an offender's employer unless there has been a default of the payment of the obligation for at least 30 days and at least 5 days prior written notice, to the last known address of the offender, of the intention to communicate with the employer has been given to the employee, except as expressly permitted by law or court order.

(E) Communicating with the offender or any member of the offender's family at such a time of day or night and with such frequency as to constitute harassment of the offender or any member of the offender's family. For purposes of this clause (E) the following conduct shall constitute harassment:

(i) Communicating with the offender or any member of his or her family at any unusual time or place or a time or place known or which should be known to be inconvenient to the offender. In the absence of knowledge of circumstances to the contrary, a private entity shall assume that the convenient time for communicating with a consumer is after 8 o'clock a.m. and before 9 o'clock p.m. local time at the offender's residence.

(ii) The threat of publication or publication of a list of offenders who allegedly refuse to pay restitution, except by the State's Attorney.

(iii) The threat of advertisement or advertisement for sale of any restitution to coerce payment of the restitution.

(iv) Causing a telephone to ring or engaging any person in telephone conversation repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number.

(v) Using profane, obscene or abusive language in communicating with an offender, his or her family, or others.

(vi) Disclosing or threatening to disclose information relating to a offender's case to any other person except the victim and appropriate law enforcement personnel.

(vii) Disclosing or threatening to disclose information concerning the alleged criminal act which the private entity knows to be reasonably disputed by the offender without disclosing the fact that the offender disputes the accusation.

(viii) Engaging in any conduct which the State's Attorney finds was intended to cause and did cause mental or physical illness to the offender or his or her family.

(ix) Attempting or threatening to enforce a right or remedy with knowledge or reason to know that the right or remedy does not exist.

(x) Except as authorized by the State's Attorney, using any form of communication which simulates legal or judicial process or which gives the appearance of being authorized, issued or approved by a governmental agency or official or by an attorney at law when it is not.

(xi) Using any badge, uniform, or other indicia of any governmental agency or official, except as authorized by law or by the State's Attorney.

(xii) Except as authorized by the State's Attorney, conducting business under any name or in any manner which suggests or implies that the private entity is bonded if such private entity is or is a branch of or is affiliated with any governmental agency or court if such private entity is not.

(xiii) Misrepresenting the amount of the restitution alleged to be owed.

(xiv) Except as authorized by the State's Attorney, representing that an existing restitution amount may be increased by the addition of attorney's fees, investigation fees, or any other fees or charges when those fees or charges may not legally be added to the existing restitution.

(xv) Except as authorized by the State's Attorney, representing that the private entity is an attorney at law or an agent for an attorney if the entity is not.

(xvi) Collecting or attempting to collect any interest or other charge or fee in excess of the actual restitution or claim unless the interest or other charge or fee is expressly authorized by the State's Attorney, who shall determine what constitutes a reasonable collection fee.

(xvii) Communicating or threatening to communicate with an offender when the private entity is informed in writing by an attorney that the attorney represents the offender concerning the claim, unless authorized by the attorney. If the attorney fails to respond within a reasonable period of time, the private entity may communicate with the offender. The private entity may communicate with the offender when the attorney gives his consent.

(xviii) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public.

(5) The State's Attorney shall audit the accounts of the bad check diversion program after notice in writing to the private entity.

(6) Any information obtained by a private entity that has a contract with the State's Attorney to conduct a bad check diversion program is confidential information between the State's Attorney and the private entity and may not be sold or used for any other purpose but may be shared with other authorized law enforcement agencies as determined by the State's Attorney.

(h) The State's Attorney, or private entity under contract with the State's Attorney, shall recover, in addition to the face amount of the dishonored check or draft, a transaction fee to defray the costs and expenses incurred by a victim who received a dishonored check that was made or delivered by the offender. The face amount of the dishonored check or draft and the transaction fee shall be paid by the State's Attorney or private entity under contract with the State's Attorney to the victim as restitution for the offense. The amount of the transaction fee must not exceed: \$25 if the face amount of the check or draft does not exceed \$100; \$30 if the face amount of the check or draft is greater than \$100 but does not exceed \$250; \$35 if the face amount of the check or draft is greater than \$250 but does not exceed \$500; \$40 if the face amount of the check or draft is greater than \$500 but does not exceed \$1,000; and \$50 if the face amount of the check or draft is greater than \$1,000.

(i) The offender, if aggrieved by an action of the private entity contracted to operate a bad check diversion program, may submit a grievance to the State's Attorney who may then resolve the grievance. The private entity must give notice to the offender that the grievance procedure is available. The grievance procedure shall be established by the State's Attorney.

The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. (C) This subsection (l) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional good conduct credit for meritorious service as provided under Section 3-6-6.

(730 ILCS 5/5-8-4) (from Ch. 38, par. 1005-8-4)

Sec. 5-8-4. Concurrent and consecutive terms of imprisonment.

(a) Concurrent terms; multiple or additional sentences. When an Illinois court (i) imposes multiple sentences of imprisonment on a defendant at the same time or (ii) imposes a sentence of imprisonment on a defendant who is already subject to a sentence of imprisonment imposed by an Illinois court, a court of another state, or a federal court, then the sentences shall run concurrently unless otherwise determined by the Illinois court under this Section.

(b) Concurrent terms; misdemeanor and felony. A defendant serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(c) Consecutive terms; permissive. The court may impose consecutive sentences in any of the following circumstances:

(1) If, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is the opinion of the court that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(2) If one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 (aggravated false personation of a peace officer) of the Criminal Code of 1961 (720 ILCS 5/32-5.2) or a violation of subdivision (b)(5) or (b)(6) of Section 17-2 of that Code (720 ILCS 5/17-2) and the offense was committed in attempting or committing a forcible felony.

(d) Consecutive terms; mandatory. The court shall impose consecutive sentences in each of the following circumstances:

(1) One of the offenses for which the defendant was convicted was first degree murder or a Class X or Class 1 felony and the defendant inflicted severe bodily injury.

(2) The defendant was convicted of a violation of Section 12-13 (criminal sexual assault), 12-14 (aggravated criminal sexual assault), or 12-14.1 (predatory criminal sexual assault of a child) of the Criminal Code of 1961 (720 ILCS 5/12-13, 5/12-14, or 5/12-14.1).

(3) The defendant was convicted of armed violence based upon the predicate offense of any of the following: solicitation of murder, solicitation of murder for hire, heinous battery, aggravated battery of a senior citizen, criminal sexual assault, a violation of subsection (g) of Section 5 of the Cannabis Control Act (720 ILCS 550/5), cannabis trafficking, a violation of subsection (a) of Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), controlled substance trafficking involving a Class X felony amount of controlled substance under Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), a violation of the Methamphetamine Control and Community Protection Act (720 ILCS 646/), calculated criminal drug conspiracy, or streetgang criminal drug conspiracy.

(4) The defendant was convicted of the offense of leaving the scene of a motor vehicle accident involving death or personal injuries under Section 11-401 of the Illinois Vehicle Code (625 ILCS 5/11-401) and either: (A) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof under Section 11-501 of the Illinois Vehicle Code (625 ILCS 5/11-501), (B) reckless homicide under Section 9-3 of the Criminal Code of 1961 (720 ILCS 5/9-3), or (C) both an offense described in item (A) and an offense described in item (B).

(5) The defendant was convicted of a violation of Section 9-3.1 (concealment of homicidal death) or Section 12-20.5 (dismembering a human body) of the Criminal Code of 1961 (720 ILCS 5/9-3.1 or 5/12-20.5).

(5.5) The (vi) the defendant was convicted of a violation of Section 24-3.7 (use of a stolen firearm in the commission of an offense) of the Criminal Code of 1961.

(6) If the defendant was in the custody of the Department of Corrections at the time of the commission of the offense, the sentence shall be served consecutive to the sentence under which the defendant is held by the Department of Corrections. If, however, the defendant is sentenced to

punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which the defendant may be held by the Department.

(7) A sentence under Section 3-6-4 (730 ILCS 5/3-6-4) for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

(8) If a person charged with a felony commits a separate felony while on pretrial release or in pretrial detention in a county jail facility or county detention facility, then the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.

(8.5) If a person commits a battery against a county correctional officer or sheriff's employee while serving a sentence or in pretrial detention in a county jail facility, then the sentence imposed upon conviction of the battery shall be served consecutively with the sentence imposed upon conviction of the earlier misdemeanor or felony, regardless of the order in which the judgments of conviction are entered.

(9) If a person admitted to bail following conviction of a felony commits a separate felony while free on bond or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, then any sentence following conviction of the separate felony shall be consecutive to that of the original sentence for which the defendant was on bond or detained.

(10) If a person is found to be in possession of an item of contraband, as defined in clause (c)(2) of Section 31A-1.1 of the Criminal Code of 1961, while serving a sentence in a county jail or while in pre-trial detention in a county jail, the sentence imposed upon conviction for the offense of possessing contraband in a penal institution shall be served consecutively to the sentence imposed for the offense in which the person is serving sentence in the county jail or serving pretrial detention, regardless of the order in which the judgments of conviction are entered.

(e) Consecutive terms; subsequent non-Illinois term. If an Illinois court has imposed a sentence of imprisonment on a defendant and the defendant is subsequently sentenced to a term of imprisonment by a court of another state or a federal court, then the Illinois sentence shall run consecutively to the sentence imposed by the court of the other state or the federal court. That same Illinois court, however, may order that the Illinois sentence run concurrently with the sentence imposed by the court of the other state or the federal court, but only if the defendant applies to that same Illinois court within 30 days after the sentence imposed by the court of the other state or the federal court is finalized.

(f) Consecutive terms; aggregate maximums and minimums. The aggregate maximum and aggregate minimum of consecutive sentences shall be determined as follows:

(1) For sentences imposed under law in effect prior to February 1, 1978, the aggregate maximum of consecutive sentences shall not exceed the maximum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. The aggregate minimum period of consecutive sentences shall not exceed the highest minimum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(2) For sentences imposed under the law in effect on or after February 1, 1978, the aggregate of consecutive sentences for offenses that were committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective shall not exceed the sum of the maximum terms authorized under Section 5-8-2 (730 ILCS 5/5-8-2) for the 2 most serious felonies involved, but no such limitation shall apply for offenses that were not committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(g) Consecutive terms; manner served. In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the defendant as though he or she had been committed for a single term subject to each of the following:

(1) The maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies, plus the aggregate of the imposed determinate sentences for misdemeanors, subject to subsection (f) of this Section.

(2) The parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-4.5-50 (730 ILCS 5/5-4.5-50) for the most serious of the offenses involved.

(3) The minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to subsection (f) of this Section.

(4) The defendant shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 (730 ILCS 5/3-6-3).

(3) This Section shall not prohibit a person from requesting or receiving a credit card number or expiration date and recording the number or date, or both, in lieu of a deposit to secure payment in the event of default, loss, damage, or other occurrence.

Whenever a lender is granted a security interest in real property or in a beneficial interest in a land trust, the lender shall disclose the existence of such interest to the borrower in compliance with the Federal Truth in Lending Act, amendments thereto, and any regulations issued or which may be issued thereunder, and shall agree to pay all expenses, including recording fees and otherwise, to release any such security interest of record whenever it no longer secures any credit under a revolving credit arrangement. A lender shall not be granted a security interest in any real property or in any beneficial interest in a land trust under a revolving credit arrangement, or if any such security interest exists, such interest shall be released, if a borrower renders payment of the total outstanding balance due under the revolving credit arrangement and

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1237

Offered by Representative Flowers:

WHEREAS, Every year in the United States, on average, more than 200,000 people are hospitalized from influenza-related complications and about 36,000 people, primarily in the elderly population, die from influenza-related causes; and

WHEREAS, The most effective strategy for preventing influenza is annual vaccination; and

WHEREAS, School-aged children ages 5 to 19 years have the highest rates of influenza infection and school-aged children are the major vectors for influenza transmission that spread the virus to adults and the

elderly in the community, causing substantial socioeconomic impact; and

WHEREAS, The U.S. Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices recommends universal influenza vaccination of all individuals; and

WHEREAS, Influenza vaccination rates for school-aged children are extremely low, ranging from 21.1% (high-risk) to 33% (healthy) during the 2006 to 2007 influenza season, and new immunization strategies are needed to improve vaccination in this population; and

WHEREAS, The potential threat of an influenza pandemic underscores the importance of building school-based vaccination infrastructure as federal pandemic preparedness plans call for the vaccination with the pandemic vaccine of an unprecedented number of children, potentially in the school setting; and

WHEREAS, School-based influenza vaccination programs have grown substantially in recent years and have been particularly successful in schools in which a majority of children qualify for vaccine through the federal Vaccines for Children program; and

WHEREAS, A barrier in school-based influenza vaccination programs is the reimbursement of vaccine to children who have private insurance that covers influenza vaccine but does not recognize the school-setting as a point of service for administration of the vaccine; and

WHEREAS, Private insurance's recognition of alternative delivery venues, such as schools, for the administration of influenza vaccine would increase access for all school-aged children to receive vaccination to protect themselves and their communities from influenza; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Department of Public Health to work with the Director of Insurance, private insurers, and vaccine stakeholders to coordinate the accessibility of coverage for children who have private insurance that covers influenza vaccination for all reasonable and customary expenses, including the cost of the vaccine and the administration fee, incurred when influenza vaccine is administered outside of the physician's office in a school or other related setting; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Director of Public Health and the Director of Insurance.

WHEREAS, The accident killed 11 workers and generated an oil spill that is now endangering wildlife and businesses along the Gulf Coast; and

WHEREAS, Every day, thousands of gallons of oil continue to leak into the Gulf of Mexico as a result of this disaster; and

WHEREAS, Efforts are ongoing to curtail and contain the flow of oil into the Gulf of Mexico; and

WHEREAS, The oil slick that is being created by this accident is becoming one of the worst man-made environmental disasters in recent memory; and

WHEREAS, The oil spill in the Gulf of Mexico will likely have long-term economic and environmental effects; and

WHEREAS, This disaster reaffirms the need for a safe, diverse, reliable, and renewable energy supply, of which biofuels play a very important role and will help reduce our dependence on foreign oil; and

WHEREAS, Expanded production of biofuels would generate domestic economic development and create employment opportunities; and

WHEREAS, The production of biofuels pose fewer environmental threats than drilling for oil; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the continued growth and development of biofuels to help reduce our dependence on oil and help avert future environmental disasters caused by oil production; and be it further

RESOLVED, That a suitable copy of this resolution be presented the Governor of Illinois, each member of the Illinois congressional delegation, the Illinois Farm Bureau, the Illinois Corn Growers Association, and the Illinois Soybean Association.

WHEREAS, Although the provisions of the Patient Protection and Affordable Care Act include over 2,000 pages of amendatory language, many provisions require the implementation of federal administrative rules to provide addition direction to states to implement the provisions; and

WHEREAS, States across the nation are taking different approaches to implement the federal provisions, with some states deferring action until the implementation of federal rules and some states taking a more proactive role in changing state laws and administrative rules; and

WHEREAS, Provisions have already been drafted in Illinois to implement state level changes in regard to regulation of the insurance industry, including provisions related to insurance rescissions, oversight of proposed rate changes, and expansion of the Comprehensive Health Insurance Plan to cover additional uninsured individuals; and

RESOLVED, That the Speaker of the House of Representatives and the Minority Leader of the House of Representatives shall each designate one legislative member to serve as co-chair of the Council; and be it

further

RESOLVED, That the Director of Healthcare and Family Services, the Secretary of Human Services, the Director of Public Health, and the Director of the Department of Insurance shall serve as ex officio non-voting members of the Council; and be it further

SENATE BILLS ON SECOND READING

SENATE BILL 2612. Having been recalled on April 29, 2010, and held on the order of Second Reading, the same was again taken up.

Floor Amendment No. 1 remained in the Committee on Public Utilities.

Representative Mendoza offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend Senate Bill 2612 by replacing everything after the enacting clause with the following:

"Section 5. The Electricity Infrastructure Maintenance Fee Law is amended by adding Section 5-10 as follows:

(35 ILCS 645/5-10 new)

Sec. 5-10. Municipal tax review; requests for information.

(a) A municipality may conduct an audit of fees under this Act to determine the accuracy of the fees paid by an electricity deliverer.

(b) Not more than once every 2 years, a municipality that has imposed a fee under this Law may, subject to the limitations and protections stated in Section 16-122 of the Public Utilities Act, request any information from an electricity deliverer that the municipality reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the municipality includes, without limitation:

(1) in an electronic format, the database used by the electricity deliverer to determine the amount due to the municipality; provided, however, that, if the municipality has requested customer-specific billing, usage, and load shape data from an electricity deliverer that is an electric utility and has not provided the electric utility with the verifiable authorization required by Section 16-122 of the Public Utilities Act, then the electric utility shall remove from the database all customer-specific billing, usage, and load shape data before providing it to the municipality; and

(2) in a format used by the public utility in the ordinary course of its business, summary data, as needed by the municipality, to determine the unit consumption by providing the gross kilowatt-hours or other units of measurement subject to the fee imposed by this Law within the municipal jurisdiction.

(c) Each electricity deliverer must provide the information requested under subsection (b) within:

(1) 60 days after the date of the request if the population of the requesting municipality is 500,000 or less; or

(2) 90 days after the date of the request if the population of the requesting municipality exceeds 500,000.

The time in which an electricity deliverer must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the electricity deliverer. If an electricity deliverer receives, during a single month, information requests from more than 2 municipalities, or the aggregate population of the requesting municipalities is 100,000 customers or more, the electricity deliverer is entitled to an additional 30 days to respond to those requests.

(d) If an audit by the municipality or its agents finds an error by the electricity deliverer in the amount of fees collected or paid by the electricity deliverer, then the municipality must notify the electricity deliverer of the error. Any such notice must be issued pursuant to Section 30 of the Local Government Taxpayers' Bill of Rights Act or a lesser period of time from the date the fee was due that may be specified in the municipal ordinance imposing the fee. Upon such a notice, any audit shall be conducted pursuant Section 35 of the Local Government Taxpayers' Bill of Rights Act subject to the timelines set forth in this subsection (d). The electricity deliverer must submit a written response within 60 days after the date the notice was postmarked stating that it has corrected the error or stating the reason that the error is inapplicable or inaccurate. The municipality then has 60 days after the receipt of the electricity deliverer's response to review and contest the conclusion of the electricity deliverer. If the parties are unable to agree on the disposition of the audit findings within 120 days after the notification of the error to the electricity deliverer, then either party may submit the matter for appeal as outlined in Section 40 of the Local Government Taxpayers' Bill of Rights Act. If the appeals process does not produce a satisfactory result, then either party may pursue the alleged error in a court of competent jurisdiction.

(e) Electricity deliverers and municipalities are not liable for any error in past collections and payments that was unknown to either the electricity deliverer or the municipality prior to the audit process unless the error was due to negligence in the collection or processing of required data. If, however, an error in past collections or payments resulted in a customer, who should not have owed a fee to any municipality, having paid a fee to a municipality, then the customer may, to the extent allowed by Section 9-252 of the Public Utilities Act, recover the fee from the electricity deliverer, and any amount so paid by the electricity deliverer may be deducted by that electricity deliverer from any fees or taxes then or thereafter owed by the electricity deliverer to that municipality.

(f) All account specific information provided by an electricity deliverer under this Section may be used only for the purpose of an audit of fees conducted under this Section and the enforcement of any related claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a municipality, taxpayer, or tax collector.

(h) This Section does not apply to any municipality having a population greater than 1,000,000.

Section 10. The Local Government Taxpayers' Bill of Rights Act is amended by changing Sections 10 and 35 as follows:

(50 ILCS 45/10)

Sec. 10. Application and home rule preemption. The limitations provided by this Act shall take precedence over any provision of any tax ordinance imposed by a unit of local government, as defined in this Act, in Illinois, including without limitation any tax authorized under Section 8-11-2 of the Illinois Municipal Code.

Consistent with the limitations provided by this Act, a municipality, other than municipality having a population greater than 1,000,000, may not impose any penalty with respect to a tax authorized by Section 8-11-2 of the Illinois Municipal Code or with respect to an audit authorized by Section 8-11-2.5 of the Illinois Municipal Code, except as specified in Sections 50, 55, and 60 of this Act.

This Act is a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

(Source: P.A. 91-920, eff. 1-1-01.)

(50 ILCS 45/35)

Sec. 35. Audit procedures. Taxpayers have the right to be treated by officers, employees, and agents of the local tax administrator with courtesy, fairness, uniformity, consistency, and common sense. This Section applies to any audit of a tax imposed by a unit of local government other than a municipality having a population greater than 1,000,000, except to the extent otherwise provided in Section 8-11-2.5 of the Illinois Municipal Code. Taxpayers must be notified in writing by the local jurisdiction of a proposed audit of the taxpayer's books and records clearly identifying who will be conducting the audit. For audits being conducted by third-party providers, the local jurisdiction must provide written authorization for the third-party provider to review the books and records of the taxpayer. No contact may be made by the third-party provider until the local-jurisdiction authorization is received by the taxpayer. The notice of audit must specify the tax and time period to be audited and must detail the minimum documentation or books and records to be made available to the auditor. Audits must be held only during reasonable times of the day and, unless impracticable, at times agreed to by the taxpayer. The auditor must sign a confidentiality agreement upon request by the taxpayer. Upon the completion of the audit, the local jurisdiction must issue an audit closure report to the taxpayer with the results of the audit. An auditor who determines that there has been an overpayment of tax during the course of the audit is obligated to identify the overpayment to the taxpayer so that the taxpayer can take the necessary steps to recover the overpayment. If the overpayment is the result of the application of some or all of the taxpayer's tax payment to an incorrect local government entity, then upon request by a unit of local government, the audit information must be given to any unit of local government that may be affected by an overpayment ~~the auditor must notify the correct local government entity of the taxpayer's application error.~~

Section 15. The Counties Code is amended by adding Section 5-1095.1 as follows:

(55 ILCS 5/5-1095.1 new)

Sec. 5-1095.1. County franchise fee review; requests for information.

(a) If pursuant to its franchise agreement with a community antenna television system (CATV) operator, a county imposes a franchise fee authorized by 47 U.S.C. 542, then the county may conduct an audit of that CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the franchise area to determine whether the amount of franchise fees paid by that CATV operator to the county was accurate. Any audit conducted under this subsection (a) shall determine any overpayment or underpayment to the county by the CATV operator, and the amount due to the county or CATV operator is limited to the net difference.

(b) Not more than once every 2 years, a county that has imposed a franchise fee authorized by 47 U.S.C. 542 may, subject to the limitations and protections stated in the Local Government Taxpayers' Bill of Rights Act, request information from the CATV operator in the format maintained by the CATV operator in the ordinary course of its business that the county reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the county includes without limitation the following:

(1) in an electronic format used by the CATV operator in the ordinary course of its business, the database used by the CATV operator to determine the amount of the franchise fee due to the county; and

(2) in a format used by the CATV operator in the ordinary course of its business, summary data, as needed by the county, to determine the CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the CATV operator's franchise area.

(c) The CATV operator must provide the information requested under subsection (b) within:

(1) 60 days after the receipt of the request if the population of the requesting county is 500,000 or less;

or

(2) 90 days after the receipt of the request if the population of the requesting county exceeds 500,000.

The time in which a CATV operator must provide the information requested under subsection (b) may be extended by an agreement between the county and the CATV operator.

(d) If an audit by the county or its agents finds an error by the CATV operator in the amount of the franchise fees paid by the CATV operator to the county, then the county may notify the CATV operator of the error. Any such notice must be given to the CATV operator by the county within 90 days after the county discovers the error, and no later than 4 years after the date the franchise fee was due. Upon such a notice, the CATV operator must submit a written response within 60 days after receipt of the notice stating that the CATV operator has corrected the error on a prospective basis or stating the reason that the error is inapplicable or inaccurate. The county then has 60 days after the receipt of the CATV operator's response to review and contest the conclusion of the CATV operator. No legal proceeding to collect a deficiency

based upon an alleged error shall be commenced unless within 180 days after the county's notification of the error to the CATV operator the parties are unable to agree on the disposition of the audit findings.

(e) No CATV operator is liable for any error in past franchise fee payments that was unknown by the CATV operator prior to the audit process unless (i) the error was due to negligence on the part of the CATV operator in the collection or processing of required data and (ii) the county had not failed to respond in writing in a timely manner to any written request of the CATV operator to review and correct information used by the CATV operator to calculate the appropriate franchise fees if a diligent review of such information by the county reasonably could have been expected to discover such error.

(f) All account specific information provided by a CATV operator under this Section may be used only for the purpose of an audit conducted under this Section and the enforcement of any franchise fee delinquent claim. All such information must be held in strict confidence by the county and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) For the purposes of this Section, "CATV operator" means a person or entity that provides cable and video services under a franchise agreement with a county pursuant to Section 5-1095 of the Counties Code and a holder authorized under Section 21-401 of the Cable and Video Competition Law of 2007 as consistent with Section 21-901 of that Law.

(h) This Section does not apply to any action that was commenced, to any complaint that was filed, or to any audit that was commenced before the effective date of this amendatory Act of the 96th General Assembly. This Section also does not apply to any franchise agreement that was entered into before the effective date of this amendatory Act of the 96th General Assembly unless the franchise agreement contains audit provisions but no specifics regarding audit procedures.

(i) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a county, taxpayer, or tax collector.

(j) If a contingent fee is paid to an auditor, then the payment must be based upon the net difference of the complete audit.

(k) Within 90 days after the effective date of this amendatory Act of the 96th General Assembly, a county shall provide to any CATV operator a complete list of addresses within the corporate limits of the county and shall annually update the list.

(l) This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

Section 20. The Illinois Municipal Code is amended by adding Sections 8-11-2.5 and 11-42-11.05 as follows:

(65 ILCS 5/8-11-2.5 new)

Sec. 8-11-2.5. Municipal tax review; requests for information.

(a) If a municipality has imposed a tax under Section 8-11-2, then the municipality may conduct an audit of tax receipts collected from the public utility that is subject to the tax or that collects the tax from purchasers on behalf of the municipality to determine whether the amount of tax that was paid by the public utility was accurate.

(b) Not more than once every 2 years, a municipality that has imposed a tax under this Act may, subject to the limitations and protections stated in Section 16-122 of the Public Utilities Act and in the Local Government Taxpayers' Bill of Rights Act, request any information from a utility in the format maintained by the public utility in the ordinary course of its business that the municipality reasonably requires in order to perform an audit under subsection (a). The information that may be requested by the municipality includes, without limitation:

(1) in an electronic format used by the public utility in the ordinary course of its business, the database used by the public utility to determine the amount of tax due to the municipality; provided, however, that, if the municipality has requested customer-specific billing, usage, and load shape data from a public utility that is an electric utility and has not provided the electric utility with the verifiable authorization required by Section 16-122 of the Public Utilities Act, then the electric utility shall remove from the database all customer-specific billing, usage, and load shape data before providing it to the municipality; and

(2) in a format used by the public utility in the ordinary course of its business, summary data, as needed by the municipality, to determine the unit consumption of utility services by providing the gross therms, kilowatts, minutes, or other units of measurement being taxed within the municipal jurisdiction and the gross revenues collected and the associated taxes assessed.

(c) Each public utility must provide the information requested under subsection (b) within:

(1) 60 days after the date of the request if the population of the requesting municipality is 500,000 or

less; or

(2) 90 days after the date of the request if the population of the requesting municipality exceeds 500,000.

The time in which a public utility must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the public utility. If a public utility receives, during a single month, information requests from more than 2 municipalities, or the aggregate population of the requesting municipalities is 100,000 customers or more, the public utility is entitled to an additional 30 days to respond to those requests.

(d) If an audit by the municipality or its agents finds an error by the public utility in the amount of taxes paid by the public utility, then the municipality must notify the public utility of the error. Any such notice must be issued pursuant to Section 30 of the Local Government Taxpayers' Bill of Rights Act or a lesser period of time from the date the tax was due that may be specified in the municipal ordinance imposing the tax. Upon such a notice, any audit shall be conducted pursuant to Section 35 of the Local Government Taxpayers' Bill of Rights Act subject to the timelines set forth in this subsection (d). The public utility must submit a written response within 60 days after the date the notice was postmarked stating that it has corrected the error or stating the reason that the error is inapplicable or inaccurate. The municipality then has 60 days after the receipt of the public utility's response to review and contest the conclusion of the public utility. If the parties are unable to agree on the disposition of the audit findings within 120 days after the notification of the error to the public utility, then either party may submit the matter for appeal as outlined in Section 40 of the Local Government Taxpayers' Bill of Rights Act. If the appeals process does not produce a satisfactory result, then either party may pursue the alleged error in a court of competent jurisdiction.

(e) No public utility is liable for any error in past collections and payments that was unknown by it prior to the audit process unless (i) the error was due to negligence by the public utility in the collection or processing of required data and (ii) the municipality had not failed to respond in writing on an accurate and timely basis to any written request of the public utility to review and correct information used by the public utility to collect the municipality's tax if a diligent review of such information by the municipality reasonably could have been expected to discover such error. If, however, an error in past collections or payments resulted in a customer, who should not have owed a tax to any municipality, having paid a tax to a municipality, then the customer may, to the extent allowed by Section 9-252 of the Public Utilities Act, recover the tax from the public utility, and any amount so paid by the public utility may be deducted by that public utility from any taxes then or thereafter owed by the public utility to that municipality.

(f) All account specific information provided by a public utility under this Section may be used only for the purpose of an audit of taxes conducted under this Section and the enforcement of any related tax claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) The provisions of this Section shall not be construed as diminishing or replacing any civil remedy available to a municipality, taxpayer, or tax collector.

(h) This Section does not apply to any municipality having a population greater than 1,000,000.

(65 ILCS 5/11-42-11.05 new)

Sec. 11-42-11.05. Municipal franchise fee review; requests for information.

(a) If pursuant to its franchise agreement with a community antenna television system (CATV) operator, a municipality imposes a franchise fee authorized by 47 U.S.C. 542, then the municipality may conduct an audit of that CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the franchise area to determine whether the amount of franchise fees paid by that CATV operator to the municipality was accurate. Any audit conducted under this subsection (a) shall determine any overpayment or underpayment to the municipality by the CATV operator, and the amount due to the municipality or CATV operator is limited to the net difference.

(b) Not more than once every 2 years, a municipality that has imposed a franchise fee authorized by 47 U.S.C. 542 may, subject to the limitations and protections stated in the Local Government Taxpayers' Bill of Rights Act, request information from the CATV operator in the format maintained by the CATV operator in the ordinary course of its business that the municipality reasonably requires in order to perform an audit under subsection (a). and

(2) in a format used by the CATV operator in the ordinary course of its business, summary data, as needed by the municipality, to determine the CATV operator's franchise fees derived from the provision of cable and video services to subscribers within the CATV operator's franchise area.

(1) 60 days after the receipt of the request if the population of the requesting municipality is 500,000 or less; or

(2) 90 days after the receipt of the request if the population of the requesting municipality exceeds 500,000.

The time in which a CATV operator must provide the information requested under subsection (b) may be extended by an agreement between the municipality and the CATV operator.

(d) If an audit by the municipality or its agents finds an error by the CATV operator in the amount of the franchise fees paid by the CATV operator to the municipality, then the municipality may notify the CATV operator of the error. Any such notice must be given to the CATV operator by the municipality within 90 days after the municipality discovers the error, and no later than 4 years after the date the franchise fee was due. Upon such a notice, the CATV operator must submit a written response within 60 days after receipt of the notice stating that the CATV operator has corrected the error on a prospective basis or stating the reason that the error is inapplicable or inaccurate. No legal proceeding to collect a deficiency based upon an alleged error shall be commenced unless within 180 days after the municipality's notification of the error to the CATV operator the parties are unable to agree on the disposition of the audit findings.

(e) No CATV operator is liable for any error in past franchise fee payments that was unknown by the CATV operator prior to the audit process unless (i) the error was due to negligence on the part of the CATV operator in the collection or processing of required data and (ii) the municipality had not failed to respond in writing in a timely manner to any written request of the CATV operator to review and correct information used by the CATV operator to calculate the appropriate franchise fees if a diligent review of such information by the municipality reasonably could have been expected to discover such error.

(f) All account specific information provided by a CATV operator under this Section may be used only for the purpose of an audit conducted under this Section and the enforcement of any franchise fee delinquent claim. All such information must be held in strict confidence by the municipality and its agents and may not be disclosed to the public under the Freedom of Information Act or under any other similar statutes allowing for or requiring public disclosure.

(g) For the purposes of this Section, "CATV operator" means a person or entity that provides cable and video services under a franchise agreement with a municipality pursuant to Section 11-42-11 of the Municipal Code and a holder authorized under Section 21-401 of the Cable and Video Competition Law of 2007 as consistent with Section 21-901 of that Law.

AMENDMENT NO. 4. Amend Senate Bill 3464, AS AMENDED, with reference to page and line numbers of House Amendment No. 3, on page 16, immediately below line 2, by inserting the following:

"Section 7. The Township Code is amended by changing Section 30-50 as follows:

(60 ILCS 1/30-50)

Sec. 30-50. Purchase and use of property.

(a) The electors may make all orders for the purchase, sale, conveyance, regulation, or use of the township's corporate property (including the direct sale or lease of single township road district property) that may be deemed conducive to the interests of its inhabitants, including the lease, for up to 10 years, or for up to 25 years if the lease is for a wireless telecommunications tower, at fair market value, of corporate

property for which no use or need during the lease period is anticipated at the time of leasing. The property may be leased to another governmental body, however, or to a not-for-profit corporation that has contracted to construct or fund the construction of a structure or improvement upon the real estate owned by the township and that has contracted with the township to allow the township to use at least a portion of the structure or improvement to be constructed upon the real estate leased and not otherwise used by the township, for any term not exceeding 50 years and for any consideration. In the case of a not-for-profit corporation, the township shall hold a public hearing on the proposed lease. The township clerk shall give notice of the hearing by publication in a newspaper published in the township, or in a newspaper published in the county and having general circulation in the township if no newspaper is published in the township, and by posting notices in at least 5 public places at least 10 days before the public hearing.

(b) If a new tax is to be levied or an existing tax rate is to be increased above the statutory limits for the purchase of the property, however, no action otherwise authorized in subsection (a) shall be taken unless a petition signed by at least 10% of the registered voters residing in the township is presented to the township clerk. If a petition is presented to the township clerk, the clerk shall order a referendum on the proposition. The referendum shall be held at the next annual or special township meeting or at an election in accordance with the general election law. If the referendum is ordered to be held at the township meeting, the township clerk shall give notice that at the next annual or special township meeting the proposition shall be voted upon. The notice shall set forth the proposition and shall be given by publication in a newspaper published in the township. If there is no newspaper published in the township, the notice shall be published in a newspaper published in the county and having general circulation in the township. Notice also shall be given by posting notices in at least 5 public places at least 10 days before the township meeting. If the referendum is ordered to be held at an election, the township clerk shall certify that proposition to the proper election officials, who shall submit the proposition at an election. The proposition shall be submitted in accordance with the general election law.

(c) If the leased property is utilized in part for private use and in part for public use, those portions of the improvements devoted to private use are fully taxable. The land is exempt from taxation to the extent that the uses on the land are public and taxable to the extent that the uses are private.

(d) Before the township makes a lease or sale of township or road district real or personal property, unless the personal property has a sale value of \$2,500 or less, the electors shall adopt a resolution stating the intent to lease or sell the real or personal property, describing the property in full, and stating the terms and conditions the electors deem necessary and desirable for the lease or sale. A resolution stating the intent to sell real property shall also contain pertinent information concerning the size, use, and zoning of the property. The value of real property shall be determined by a State licensed real estate appraiser. The appraisal shall be available for public inspection. The resolution may direct the sale to be conducted by the staff of the township or by listing with local licensed real estate agencies (in which case the terms of the agent's compensation shall be included in the resolution).

When a township sells township or road district personal property valued for sale at \$2,500 or less, the electors are not required to adopt a resolution. Prior to the sale, the clerk shall prepare a notice stating the intent of the township or road district to sell personal property with a sale value of \$2,500 or less and describing the property in full.

The clerk shall thereafter publish the resolution or personal property sale notice once in a newspaper published in the township or, if no newspaper is published in the township, in a newspaper generally circulated in the township. If no newspaper is generally circulated in the township, the clerk shall post the resolution or personal property sale notice in 5 of the most public places in the township. In addition to the foregoing publication requirements, the clerk shall post the resolution or personal property sale notice at the office of the township (if township property is involved) or at the office of the road district (if road district property is involved). The following information shall be published or posted with the resolution or personal property sale notice: (i) the date by which all bids must be received by the township or road district, which shall not be less than 30 days after the date of publication or posting, and (ii) the place, time, and date at which bids shall be opened, which shall be at a regular meeting of the township board.

All bids shall be opened by the clerk (or someone duly appointed to act for the clerk) at the regular meeting of the township board described in the notice. With respect to township personal property, except personal property valued for sale at \$2,500 or less, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a majority vote of the board. With respect to township real property, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a vote of three-fourths of the township board then holding office, but in no event at a price less than 80% of the appraised value. With respect to road district property, except personal

property valued for sale at \$2,500 or less, the highway commissioner may accept the high bid or any other bid determined to be in the best interests of the road district. In each case, the township board or commissioner may reject any and all bids. With respect to township or road district personal property valued for sale at \$2,500 or less, the clerk shall accept at least 2 bids and the township board or highway commissioner shall accept the highest bid. This notice and competitive bidding procedure shall not be followed when property is leased to another governmental body. The notice and competitive bidding procedure shall not be followed when property is declared surplus by the electors and sold to another governmental body. The notice and competitive bidding procedure may be, but need not be, followed if property is leased for a wireless telecommunications tower.

(e) A trade-in of machinery or equipment on new or different machinery or equipment does not constitute the sale of township or road district property.

(65 ILCS 5/11-20-15.1)

This lien is superior to all other liens and encumbrances, except tax liens and as otherwise provided in this Section.

(b) To perfect a lien under this Section, the municipality must, within one year after the cost is incurred for the activity, file notice of the lien in the office of the recorder in the county in which the abandoned

residential property is located or, if the abandoned residential property is registered under the Torrens system, in the office of the Registrar of Titles of that county, a sworn statement setting out:

(4) a statement that the lien has been filed pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, as applicable.

If, for any abandoned residential property, the municipality engaged in any activity on more than one occasion during the course of one year, then the municipality may combine any or all of the costs of each of those activities into a single notice of lien.

(c) To enforce a lien pursuant to this Section, the municipality must maintain contemporaneous records that include, at a minimum: (i) a dated statement of finding by the municipality that the property for which the work is to be performed has become abandoned residential property, which shall include (1) the date when the property was first known or observed to be unoccupied by any lawful occupant or occupants, (2) a description of the actions taken by the municipality to contact the legal owner or owners of the property identified on the recorded mortgage, or, if known, any agent of the owner or owners, including the dates such actions were taken, and (3) a statement that no contacts were made with the legal owner or owners or their agents as a result of such actions, (ii) a dated certification by an authorized official of the municipality of the necessity and specific nature of the work to be performed, (iii) a copy of the agreement with the person or entity performing the work that includes the legal name of the person or entity, the rate or rates to be charged for performing the work, and an estimate of the total cost of the work to be performed, (iv) detailed invoices and payment vouchers for all payments made by the municipality for such work, and (v) a statement as to whether the work was engaged through a competitive bidding process, and if so, a copy of all proposals submitted by the bidders for such work.

(d) A lien under this Section shall be enforceable exclusively at the hearing for confirmation of sale of the abandoned residential property that is held pursuant to subsection (b) of Section 15-1508 of the Code of Civil Procedure and shall be limited to a claim of interest in the proceeds of the sale and subject to the requirements of this Section. Any mortgagee who holds a mortgage on the property, or any beneficiary or trustee who holds a deed of trust on the property, may contest the lien or the amount of the lien at any time during the foreclosure proceeding upon motion and notice in accordance with court rules applicable to motions generally. Grounds for forfeiture of the lien or the superior status of the lien granted by subsection (a) of this Section shall include, but not be limited to, a finding by the court that: (i) the municipality has not complied with subsection (b) or (c) of this Section, (ii) the scope of the work was not reasonable under the circumstances, (iii) the work exceeded the authorization for the work to be performed under subsection (a) of Section 11-20-7, subsection (a) of Section 11-20-8, subsection (a) of Section 11-20-12, subsection (a) of Section 11-20-13, or subsection (a) of Section 11-31-1.01, as applicable, or (iv) the cost of the services rendered or materials provided was not commercially reasonable. Forfeiture of the superior status of the lien otherwise granted by this Section shall not constitute a forfeiture of the lien as a subordinate lien.

(e) Upon payment of the amount of a lien filed under this Section by the mortgagee, servicer, owner, or any other person, the municipality shall release the lien, and the release may be filed of record by the person making such payment at the person's sole expense as in the case of filing notice of lien.

(f) Notwithstanding any other provision of this Section, a municipality may not file a lien pursuant to this Section for activities performed pursuant to Section 11-20-7, Section 11-20-8, Section 11-20-12, Section 11-20-13, or Section 11-31-1.01, if: (i) the mortgagee or servicer of the abandoned residential property has provided notice to the municipality that the mortgagee or servicer has performed or will perform the remedial actions specified in the notice that the municipality otherwise might perform pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, provided that the remedial actions specified in the notice have been performed or are performed or initiated in good faith within 30 days of such notice; or (ii) the municipality has provided notice to the mortgagee or servicer of a problem with the property requiring the remedial actions specified in the notice that the municipality otherwise would perform pursuant to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, and the mortgagee or servicer has performed or performs or initiates in good faith the remedial actions specified in the notice within 30 days

of such notice.

(g) This Section and subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01 shall apply only to activities performed, costs incurred, and liens filed after the effective date of this amendatory Act of the 96th General Assembly.

(h) For the purposes of this Section and subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01:

"Abandoned residential property" means any type of permanent residential dwelling unit, including detached single family structures, and townhouses, condominium units and multifamily rental apartments covering the entire property, and manufactured homes treated under Illinois law as real estate and not as personal property, that has been unoccupied by any lawful occupant or occupants for at least 90 days, and for which after such 90 day period, the municipality has made good faith efforts to contact the legal owner or owners of the property identified on the recorded mortgage, or, if known, any agent of the owner or owners, and no contact has been made. A property for which the municipality has been given notice of the order of confirmation of sale pursuant to subsection (b-10) of Section 15-1508 of the Code of Civil Procedure shall not be deemed to be an abandoned residential property for the purposes of subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, and Section 11-31-1.01 of this Code.

"MERS program" means the nationwide Mortgage Electronic Registration System approved by Fannie Mae, Freddie Mac, and Ginnie Mae that has been created by the mortgage banking industry with the mission of registering every mortgage loan in the United States to lawfully make information concerning each residential mortgage loan and the property securing it available by Internet access to mortgage originators, servicers, warehouse lenders, wholesale lenders, retail lenders, document custodians, settlement agents, title companies, insurers, investors, county recorders, units of local government, and consumers.

(i) Any entity or person who performs a removal, securing, or enclosing activity pursuant to the authority of a municipality under subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, subsection (e) of Section 11-20-13, or Section 11-31-1.01, may, in its, his, or her own name, file a lien pursuant to subsection (b) of this Section and appear in a foreclosure action on that lien pursuant to subsection (d) of this Section in the place of the municipality, provided that the municipality shall remain subject to subsection (c) of this Section, and such party shall be subject to all of the provisions in this Section as if such party were the municipality.

(i-5) All amounts received by the municipality for costs incurred pursuant to this Section for which the municipality has been reimbursed under Section 7.31 of the Illinois Housing Development Act shall be remitted to the State Treasurer for deposit into the Abandoned Residential Property Municipality Relief Fund.

(j) If prior to subsection (d) of Section 11-20-7, subsection (d) of Section 11-20-8, subsection (d) of Section 11-20-12, and subsection (e) of Section 11-20-13 becoming inoperative a lien is filed pursuant to any of those subsections, then the lien shall remain in full force and effect after the subsections have become inoperative, subject to all of the provisions of this Section. If prior to the repeal of Section 11-31-1.01 a lien is filed pursuant to Section 11-31-1.01, then the lien shall remain in full force and effect after the repeal of Section 11-31-1.01, subject to all of the provisions of this Section.

Section 15. The Code of Civil Procedure is amended by changing Section 15-1502.5 and by adding Sections 15-1504.1 and 15-1507.1 as follows:

(735 ILCS 5/15-1502.5)

(Section scheduled to be repealed on April 6, 2011)

Sec. 15-1502.5. Homeowner protection.

(a) As used in this Section:

"Approved counseling agency" means a housing counseling agency approved by the U.S. Department of Housing and Urban Development.

"Approved Housing Counseling" means in-person counseling provided by a counselor employed by an approved counseling agency to all borrowers, or documented telephone counseling where a hardship would be imposed on one or more borrowers. A hardship shall exist in instances in which the borrower is confined to his or her home due to medical conditions, as verified in writing by a physician or the borrower resides 50 miles or more from the nearest approved counseling agency. In instances of telephone counseling, the borrower must supply all necessary documents to the counselor at least 72 hours prior to the scheduled telephone counseling session.

"Delinquent" means past due with respect to a payment on a mortgage secured by residential real estate.

"Department" means the Department of Financial and Professional Regulation.

"Secretary" means the Secretary of Financial and Professional Regulation or other person authorized to act in the Secretary's stead.

"Sustainable loan workout plan" means a plan that the mortgagor and approved counseling agency believe shall enable the mortgagor to stay current on his or her mortgage payments for the foreseeable future when taking into account the mortgagor income and existing and foreseeable debts. A sustainable loan workout plan may include, but is not limited to, (1) a temporary suspension of payments, (2) a lengthened loan term, (3) a lowered or frozen interest rate, (4) a principal write down, (5) a repayment plan to pay the existing loan in full, (6) deferred payments, or (7) refinancing into a new affordable loan.

(b) Except in the circumstance in which a mortgagor has filed a petition for relief under the United States Bankruptcy Code, no mortgagee shall file a complaint to foreclose a mortgage secured by residential real estate until the requirements of this Section have been satisfied.

(c) Notwithstanding any other provision to the contrary, with respect to a particular mortgage secured by residential real estate, the procedures and forbearances described in this Section apply only once per subject mortgage.

Except for mortgages secured by residential real estate in which any mortgagor has filed for relief under the United States Bankruptcy Code, if a mortgage secured by residential real estate becomes delinquent by more than 30 days the mortgagee shall send via U.S. mail a notice advising the mortgagor that he or she may wish to seek approved housing counseling. Notwithstanding anything to the contrary in this Section, nothing shall preclude the mortgagor and mortgagee from communicating with each other during the initial 30 days of delinquency or reaching agreement on a sustainable loan workout plan, or both.

No foreclosure action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted on a mortgage secured by residential real estate before mailing the notice described in this subsection (c).

The notice required in this subsection (c) shall state the date on which the notice was mailed, shall be headed in bold 14-point type "GRACE PERIOD NOTICE", and shall state the following in 14-point type: "YOUR LOAN IS MORE THAN 30 DAYS PAST DUE. YOU MAY BE EXPERIENCING FINANCIAL DIFFICULTY. IT MAY BE IN YOUR BEST INTEREST TO SEEK APPROVED HOUSING COUNSELING. YOU HAVE A GRACE PERIOD OF 30 DAYS FROM THE DATE OF THIS NOTICE TO OBTAIN APPROVED HOUSING COUNSELING. DURING THE GRACE PERIOD, THE LAW PROHIBITS US FROM TAKING ANY LEGAL ACTION AGAINST YOU. YOU MAY BE ENTITLED TO AN ADDITIONAL 30 DAY GRACE PERIOD IF YOU OBTAIN HOUSING COUNSELING FROM AN APPROVED HOUSING COUNSELING AGENCY. A LIST OF APPROVED COUNSELING AGENCIES MAY BE OBTAINED FROM THE ILLINOIS DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION."

The notice shall also list the Department's current consumer hotline, the Department's website, and the telephone number, fax number, and mailing address of the mortgagee. No language, other than language substantially similar to the language prescribed in this subsection (c), shall be included in the notice. Notwithstanding any other provision to the contrary, the grace period notice required by this subsection (c) may be combined with a counseling notification required under federal law.

The sending of the notice required under this subsection (c) means depositing or causing to be deposited into the United States mail an envelope with first-class postage prepaid that contains the document to be delivered. The envelope shall be addressed to the mortgagor at the common address of the residential real estate securing the mortgage.

(d) Until 30 days after mailing the notice provided for under subsection (c) of this Section, no legal action shall be instituted under Part 15 of Article XV of the Code of Civil Procedure.

(e) If, within the 30-day period provided under subsection (d) of this Section, an approved counseling agency provides written notice to the mortgagee that the mortgagor is seeking approved counseling services, then no legal action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted for 30 days after the date of that notice. The date that such notice is sent shall be stated in the notice, and shall be sent to the address or fax number contained in the Grace Period Notice required under subsection (c) of this Section. During the 30-day period provided under this subsection (e), the mortgagor or counselor or both may prepare and proffer to the mortgagee a proposed sustainable loan workout plan. The mortgagee will then determine whether to accept the proposed sustainable loan workout plan. If the mortgagee and the mortgagor agree to a sustainable loan workout plan, then no legal action under Part 15 of Article XV of the Code of Civil Procedure shall be instituted for as long as the sustainable loan workout plan is complied with by the mortgagor.

The agreed sustainable loan workout plan and any modifications thereto must be in writing and signed by the mortgagee and the mortgagor.

Upon written notice to the mortgagee, the mortgagor may change approved counseling agencies, but such a change does not entitle the mortgagor to any additional period of forbearance.

(f) If the mortgagor fails to comply with the sustainable loan workout plan, then nothing in this Section shall be construed to impair the legal rights of the mortgagee to enforce the contract.

(g) A counselor employed by a housing counseling agency or the housing counseling agency that in good faith provides counseling shall not be liable to a mortgagee or mortgagor for civil damages, except for willful or wanton misconduct on the part of the counselor in providing the counseling.

(h) There shall be no waiver of any provision of this Section.

(i) It is the General Assembly's intent that compliance with this Section shall not prejudice a mortgagee in ratings of its bad debt collection or calculation standards or policies.

(j) This Section shall not apply, or shall cease to apply, to residential real estate that is not occupied as a principal residence by the mortgagor.

(k) This Section is repealed July 1, 2013 2 years after the effective date of this amendatory Act of the 95th General Assembly.
